# School Report.

---

TO THE CITIZENS OF THE SCHOOL DISTRICT OF MADISON :

We herewith submit to you our report of the standing of our schools and district for the year ending Feb. 15, 1901.

Our schools, on the whole, have been very prosperous. On account of whooping cough in the school at Tasker Hill, the last term was only eight weeks, which leaves money in the treasury to continue this school seven weeks in the future. With the help received from the State, we have been able to lengthen them eight weeks, which greatly lengthens our school year.

And in view of the fact that the town voted to raise \$100 in addition to the amount raised last year, the State has allotted the district of Madison for the ensuing year \$296.04, which is \$28.24 more than we received last year. We wish to impress upon the minds of the citizens the necessity of raising a liberal amount of money for the support of schools in the future, that we may improve our schools and continue to increase our fund from the State, and not decrease it.

JAS. W. TYLER,
